25X1 19. [] LIAISON Received a call from Paul Daly,
FBI, to let us know that from Latimer, Staff Director of the House
25X1 Permanent Select Committee on Intelligence, has requested a briefing
on the [] case and Senator Daniel K. Inouye (D., Hawaii),
Chairman of the Senate Select Committee on Intelligence, has
requested another briefing on the case to provide more information.
Daly is unaware of the nature of the additional information requested.
He also informed me that the FBI has briefed Senator Howard H.
25X1 Baker, Jr. (R., Tenn.) and Representative John D. Dingell (D., Mich.)
on the [] case.

25X1 20. [] LIAISON Met with Rhett Dawson, on the
staff of the Senate Armed Services Committee, and discussed his request
for a briefing on Soviet adherence to arms limitations under SALT I.
For a better understanding of the problems, he asked for a general
briefing on SALT I for some time during the week of 17 October.
Committee staffer, Larry Smith, would also attend. []

25X1 21. [] LIAISON Met with Michael O'Neil,
General Counsel of the House Permanent Select Committee on Intelligence,
and delivered the letter from Mr. Gambino, D/S, certifying the clearances
of three newly appointed staffers, Patrick G. Long, Louise B. Dreuth,
and Alan F. Brown. Mr. O'Neil requested that our people check with
DIA on the clearances listed in the letter as DIA has informed him that
they have not been contacted by the Agency to transfer the clearances.
25X1 [] Office of Security, straightened this out with DIA.
I also delivered a copy each of Mr. Lyman Kirkpatrick's books, "The

permanent retention.

International Energy Situation: Outlook to 1985," per his earlier
